

Lady Lightning Fall & Winter League 2019-20 GIRLS FALL/WINTER LEAGUE

The Lady Lightning will again host a youth girls league where area teams can compete. Last year we hosted over 120 teams in grades 4-8. If you coach an area team, we invite you to play in our league with many of the top rated teams and join us this year!

The league season will start in November and run to late February. Each team can purchase a minimum of 8 games and up to 40 or more. Extra games can be optionally scheduled. Every effort will be made to work around any conflicts and to match up like-skilled teams for competitive games.

Levels of Competition:

Division 1 – Highest Level of Competition

Division 2 – Select & Competitive Teams

Division 3 – Developing Teams

4th, 5th, 6th, 7th, 8th Divisions
